Milestone Course(s)

*** denotes Milestone Course(s).

A milestone course is a course that is critical for success in this program as determined by the Faculty of the Alamo Colleges District.

Associate of Arts in Teaching

The AAT Degree Program Texas Teacher Certification targets individuals who have a desire to enter the field of education as a teacher, school administrator, counselor, or some aspect of child/adolescent development. Students should check with the college department, the transfer center, or the university to which they plan to transfer for additional information.

Additional Texas Tech University Advising Notes

Things to do and remember upon Admission to Texas Tech University:

- Make an appointment with the academic advisor of the major, once accepted to Texas Tech, in order to clarify department, college and university policies and procedures, to review course sequencing and to help with identifying resources for academic success. A current listing of academic advising centers can be found at <http://www.depts.ttu.edu/education/advising/undergraduate/index.php>
- Refer to the official source of information on specific courses within the Texas Tech requirements for this degree plan from the [Texas Tech Undergraduate Catalog](#) or visit the web site at http://www.depts.ttu.edu/education/advising/undergraduate/required_courses.php
- Pay close attention to course sequencing and availability at Texas Tech as it will affect the time it takes to complete the degree program.

Using this Transfer Advising Guide with TTU

This Transfer Advising Guide represents Texas Tech's degree plan and is subject to change at the university's discretion. It is intended for advising purposes only so students know exactly which courses they can take at any of the colleges in the Alamo Colleges District and have the courses count towards degree requirements when they transfer to TTU. It is highly recommended that students meet with their assigned academic advisor to review all graduation and transfer requirements listed in the Transfer Advising Guide.

The ultimate goal is to provide students with accurate information for transfer pathways while minimizing loss of credits in transfer. Students are encouraged to review TTU's requirements frequently.

Course numbers in *italics* are TTU's course numbers.

This Transfer Advising Guide is based upon **Texas Tech University's** [2018-2019](#) catalog and is subject to change.

The Alamo Colleges District Advising

Students are encouraged to consult with an academic advisor about courses and other educational concerns if they plan to pursue a two-year degree program, transfer to another college or university, or simply take a few selected courses. In addition to course and degree requirements, policies and procedures are subject to change; stay informed by meeting with an academic advisor regularly.

Many students who plan to transfer to a university are advised to fulfill the lower-division requirements for the university. With appropriate planning, your Alamo Colleges District team can help make the transfer experience a seamless process. It is the responsibility of all students to ensure that they take courses at the Alamo Colleges District that will be accepted by the senior institutions they wish to attend.
